To Whom it may Concern

Statement regarding compliance with RoHS EU Directive 2011/65/EU

Valid for our Standard- Products, only

Dear Ladies and Gentlemen,

We hereby state that our wide Portfolio of our Standard Products are in accordance to the EU guideline 2011/65/EU (ROHS) from January 2013, without any exemptions.

On 4th of June 2015 a new official register was published by the EU, which includes another four substances:

- Lead
- Mercury
- Cadmium
- Hexavalent chromium
- Polybrominated biphenyls (PBB)
- Polybrominated diphenyl ethers (PBDE)
- Di(2-ethylhexyl)phthalat (DEHP)
- Butylbenzylphthalat (BBP)
- Dibutylphthalat (DBP)
- Diisobutylphthalat (DIBP)

The restriction of these substances will be valid from 22nd of July 2019.
The implementation for medical devices will be valid from 22nd of July 2021.

Our Products do not contain substances which are banned or which exceed the limits defined in appendix 2.

This declaration is made according to our current state of knowledge, based on Information provided by our suppliers.

With kind regards,

TEXTIT Deutschland GmbH

i. A. Katja White
